Dear Students,

Let's join our hands together in creating awareness on **AUTISM**, a developmental disability coming under Mental Illness among your age group students. The venue is **P.G Department of Psychology, Vani Vihar, U.U, Bhubaneswar** on **26.10.2014** at **10.30** a.m sharp. The Topic for the Debate/Speaking contest is **'AUTISM' a new dimension of life.** You may discuss the following points within 03/04 minutes.

- 1.What do I know about Autism?
- 2.Society's responsibility towards families of children with Autism.
- 3.Youngsters' role in spreading awareness and advocating for persons with Autism.
- 4.How can we help in including children with Autism in all walks of life?

On behalf of **MAN Trust**, I welcome you all to this special occasion.

Swarna lata Mishra
Chairman, MAN Trust.
